

Animal Craft

An ArabishWay Activity*

It is a rare person who knows all the parts of a chicken's face in Arabic *and* English, so there should be something for everyone to learn with this simple and silly animal craft.

Materials :

- Chicken craft (pdf) to use as parts or as guide
- Red paper (the size of your child's hand plus a little more)
- Black paper
- Orange or Yellow paper
- Pencil
- Scissors
- Paper plate or 9" white circle
- Glue

Instructions :

Trace your child's hand onto the red paper. Then cut out all your chicken parts:

- wattle, *gha-bab*, غيب
- comb, *'oorfa ad-dee*, عرف الديك
- beak, *min-qawr*, منقار
- eyes, *'ay-yoon*, عيون

Then let your child glue them in place!
