

Our Bodies Craft

An ArabishWay Activity*

Here's a fun way to learn the parts of the body!

Instructions :

Print out the handouts attached. Cut out the words and glue in their place. Use the guide below as needed.

Your Arabish Guide to the Parts of the Body:

eye = 'ayn = عين

nose = anf = أنف

mouth = fem = فم

neck = 'oo-nook = عنق

knee = rook-beh = ركبة

head = ra'ss = رأس

ear = oo-thun = إذن

hand = yed = يدي

elbow = koo-'ah = كوع

foot = qaw-dim = قدم

إنبستو فيها - Enjoy

خسختى

Diagram illustrating the parts of a human body (Xashty) with corresponding labels in Arabic. The diagram shows a cartoon boy with various body parts highlighted by lines connecting them to circular callouts. The callouts are arranged in two rows of five. The top row callouts are: eye, nose, mouth, ear, and hand. The bottom row callouts are: arm, foot, and leg. There are ten empty rectangular boxes provided for labeling the parts.

Cut out the words and paste them on the sheet above:

عين

رأس

أنف

أذن

فم

يد

عنق

كوع

ركبة

قدم
